Outpatient Treatment Centers

OPEN IN MONTEREY & SALINAS

Community Human Services' certified Outpatient Treatment Centers provide comprehensive and intensive services for men and women over 18 who are seeking treatment for substance use disorders. Our outpatient programs utilize an array of evidence based practices to assist you in meeting your recovery goals:

- Cognitive Behavioral Therapy
- Seeking Safety (trauma Informed care)
- 12 Step Education
- Medication Assisted Treatment Services (MAT) Motivational Interviewing Post treatment recovery service

Our Outpatient Treatment Centers also provide confidential assessments for those requiring residential treatment or Narcotic Replacement Therapy. Medi-Cal and private pay are accepted.

For more information or to schedule an assessment please call:
